BE IT RESOLVED THAT: (*Please print or attach your resolution here. Any WHEREAS clauses or supporting statements should be included on the back of this form.*)

Resolved, that the Minnesota Democratic Party rejects the collection of personal student data for any non-educational purpose without the prior written consent of an adult student or a child student's parent and that it rejects the sharing of such personal data, without the prior written consent of an adult student or a child student's parent, with any person or entity other than schools or education agencies within the state, and be it further.

We support reductions in the size, scope, and influence of the U.S. Department of Education in order to facilitate local control of schools and resistance to any nationwide effort, such as Common Core State Standards, also known as "Common Core", as well as, College and Career Ready Standards, or any other national or international standardized program of standards, curriculum and testing, that imposes a curriculum on our students violating parental rights and removing local control over that curriculum.
